Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Wednesday 03 Feb 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A fine and largely dry day, feeling less cold.

Today:
A largely dry and bright morning, cloudier in the north but some decent sunny spells elsewhere. A few showers may develop during the afternoon but these will remain light and isolated. Less cold than previous days. Maximum temperature 8 deg C (46 deg F).

Tonight:
A mostly cloudy evening, with a few outbreaks of rain transfering east across the far north. Becoming largely dry later, with clear skies becoming predominant. Minimum temperature 3 deg C (37 deg F).

Thursday:
A dry and largely sunny morning but cloud will move in from the south during the afternoon, bringing a spell of showery rain in the evening. Maximum temperature 9 deg C (48 deg F).

Outlook for Friday to Sunday:
Friday, mostly cloudy with afternoon showers. Largely dry and bright on Saturday but becoming wet and windy overnight, perhaps turning to snow later. Sunday, cold and windy with snow showers.
